STEP 7: Fill the response in the Activity.

Activity:

1. As a teacher, I must have a thorough understanding about the Prerana Programme of Ministry of Education because,

- ○ It is an experiential and inspirational learning program for students with the best-in-class technology where heritage meets innovation.
- ○ I may be deputed to attend the programme as a participant for the residential camp.
- ○ This is pre-requisite to became school Principal.
- ○ I may not get my next promotion without attending this programme.

2. To deal with stress of students during exam times a teacher needs to _____?

- ○ Ignore students and avoid talking at all times
- ○ Empathize with students and provide opportunities for interpersonal connection
- ○ Only ensure that the syllabus has been completed
- ○ Create a competitive environment amongst students for them to do well

3. What does it signify when a student consistently makes efforts and improves but is not able to achieve top grades?

- ○ They lack the ability to succee
- ○ Their effort and resilience contribute to their success.
- ○ They are not trying hard enough to achieve perfection.
- ○ They focus too much on overcoming challenges.

4. Which among the following is good for managing students' stress?

- ○ Balanced diet
- ○ Proper and sufficient sleep
- ○ Physical activity, Yoga and Meditation in daily life
- ○ All of the above

5. How can a teacher ensure that all students are actively participating in the classroom?

- ○ Interacting with students sitting in the front rows only
- ○ Encourage students to ask open-ended questions to facilitate discussion
- ○ Posing questions to any students randomly
- ○ Ignoring the students who do not participate

STEP 7: Fill the response in the Activity.

Activity:

1. Your child feels nervous about their upcoming science viva voce and says, "I'm going to mess it up." How should you respond?

- ○ You should have practiced more!
- ○ Let's rehearse together. See how it can be improved!
- ○ It's okay to fail sometimes.
- ○ If you don't do well, it's not a big deal.

2. As a parent what can be done to keep your children motivated throughout their exam?

- ○ Establish reasonable objectives along with them
- ○ Provide financial incentives for excellent grades
- ○ Stress the negative effects of failure
- ○ Let them manage their own motivation

3. Child struggles to complete a math assignment and seems frustrated.

How can you best assist them?

- ○ Tell them to work harder on their own
- ○ Sit with them to encourage
- ○ Scold them for not paying attention in class
- ○ Suggest they skip mathematics for now

4. Best motivation technique you use for your children

- ○ Encourage and praise the child for her/his performance
- ○ Set clear goals to achieve good marks and only study
- ○ Give examples of other children to motivate them
- ○ Focus solely on the results and ask them to study

5. What should parents do when their child shows signs of exam anxiety?

- ○ Ignore their worries
- ○ Listen sympathetically and reassure them
- ○ Encourage them to concentrate more on their studies
- ○ Compare your own test-taking experiences
